I am Mr Mnyamezeli Solomon Ndingane born in Port Elizabeth at New Brighton Township. I did all my school in Port Elizabeth until I passed my matric in Cowen High School. During my school days I was involved in the struggle against apartheid. During the time of struggle I further received education, training and development in Logistics and Intelligence. After 1994 I integrated into the South African National Defence Force in 2002 wherein I further studied Leadership Management, Logistics, Organisational Strategy as well as the Administration Management. Whilst I was still in the SANDF from May to July 2016 I registered and successfully completed First Aid as well as Occupational Health Safety courses through Damelin College in Johannesburg.

It is very important to mention that I got an opportunity to associate myself with my fellow comrades who were doing chicken layers and pig farming in Cullinan and Bronkhorstspuit areas. I resigned from the SANDF on May 2019 and I went ahead and leased a 1ha piece of land in Bronkhorstspuit where I'm currently doing chicken farming as well as my other Private businesses.

I am a highly professional and dedicated person in all that I do. I have organised and coordinated in a multiple events with a huge success and diligence. I am very passionate about fitness, sport, adventure, hunting as well as youth development.

Please join us in welcoming him to his new position and wish him well.
